Test specimen content

This specimen building plan records mock approval information for an illustrative academic campus and is intended for content-classification testing.

The approved master building plan refers to ABC Institute of Technology, campus plot TEST-LAND-PLOT-12, and a schematic academic and laboratory layout. No authentic approval, engineering drawings, or municipal sanction are implied.

Document category keywords: approved master building plan, building permit, sanction number, floor plan, institutional campus.

Verification notice

This document is fictional data created exclusively to test automated upload, PDF parsing, text extraction, OCR, matching, officer review, and re-scrutiny. No government body, financial institution, regulator, university, architect, engineer, or fire authority issued or approved this document.

Authenticity and official statutory compliance must remain unverified and require appropriate human and external checks.
